Please stop in at our *Yellow House Garden and Studios*, #14 on the Coastal Marin Artists 2016 Open Studios.

I'm excited to exhibit my latest series:

Andrei's Backyard

which includes 30+ small paintings in watercolor or ink of apples, pomegranates, sunflowers, and leaves. Great gifts for the holiday seasons.

So head out to Stinson Beach for a day of waves and art. Always free to look and guaranteed to be fun!
